driving licence since 2008

## Education and qualifications

- ✓ **2005-2010** Currently graduating from Master's degree of Interaction Design at **L'École de Design Nantes Atlantique**, France. My final project is about video game, immersion and tangible user interface. I am working on new immersion experiences in order to enrich the video game practice.
- ✓ **2008** One semester at the **Rocky Mountain College of Art and Design** in Denver, Colorado, USA. Developing strong video editing and compositing skills in the Digital Media department.
- ✓ **2005** **Baccalauréat with honours** specialised in Sciences, French equivalent to the Higher Leaving Certificate. Notre Dame de Toutes Aides High school, Nantes, France.

## Experience

Visit my portfolio on <http://www.davidarenou.com/> and take a look at the works that I selected.

- ✓ **June 2009** **Project in partnership with Orange**, prospective message inbox and tangible user interface.
- ✓ **April 2008** **Attendee to Virtual Fantasy**, 30 hours non-stop competition at Laval Virtual, International Conference on Virtual Reality.
- ✓ **September October 2007** **Training period in Artiss-Intuiti**, a web agency located in Nantes. In charge of creating web sites, from graphics to programming, for companies or associations.
- ✓ **2005-2007** **Various jobs during summer holidays**, such as workman in factories or administrative agent.

## Skills

- ✓ **Languages** **French (mother tongue)**, fluent in **English (TOEIC 925/990)**. Very good communication and writing in both French and English.
- ✓ **Softwares** Adobe Creative Suite (Photoshop, Illustrator, InDesign, Flash, Premiere, After Effects, Audition), Autodesk Combustion and 3DS Max, 3DVIA Virtools. Daily using Windows. Frequent using Mac OS.
- ✓ **Programming** HTML/CSS, PHP/MySQL, Action Script 2, Processing.

## Interests

Interaction design in general, video games, music (hip-hop, electronic, world), American culture.
